The Board was informed that there was no report because the committee was unable to meet in May.

**E. Consideration, Discussion and Possible Action on Cindy Vong and La Vie LLC, Plaintiffs vs. Arizona State Board of Cosmetology, Defendants, Maricopa County Superior Court Case No. CV2009—037208.**

Assistant Attorney General, Bridget Harrington, informed the Board that Ms. Vong filed a Motion For Reconsideration and we are awaiting a response from the judge.

**F. Consideration, Discussion and Possible Action on Photos on Personal License.**

Executive Director, Donna Aune, informed the Board that photos had been discussed with Versa, the current licensing system, and a system upgrade would be needed to accomplish the task.

Discussion ensued pointing out the importance of identification, possibly stamping and certifying the licenses starting with the testing process. A rule and/or law need to be changed to include photo requirement with license display.

The Board will agendaize A.A.C. R4-10-111(C) for possible action.

MOTION by Flora Finch that all schools require a passport quality photo that is stamped or notarized by the school and the testing area and must be attached to the license at all times and displayed and this to be done by August 1, 2010. MOTION SECONDED by Thom Kasch. MOTION CARRIED.

A letter is to be written and approved at July 16, 2010 Board meeting and then will be sent out to the schools.

MOTION by Thom Kasch to form a committee to explore pictures for reciprocity and renewals.

MOTION SECONDED by Flora Finch. MOTION CARRIED.

Gary Begley nominated Flora Finch for the committee.

Jessica Stall nominated Joe Verdugo for the committee.

Joe Verdugo nominated Sandra Hecksel for the committee.

**G. Consideration, Discussion and Possible Action on Threading.**

The Board discussed the large amount of threading that is currently being done as a service. Assistant Attorney General, Bridget Harrington, advised the Board that this is a form of superfluous hair removal and falls under the jurisdiction of the Board.

It was suggested that letters be sent out to people doing threading who are not licensed.

A company called Shapes Browbar is willing to work with threaders and the Board.

Consensus was to put the information about threading on the website and do a mailing to schools stating that this should be taught in the curriculum.
